"The Thrill of Hope - Zechariah's Story"
Focal Passage - Luke 1:5-25

There has always been a sense of anticipation around Christmas

There will be times in our life when God appears silent and inactive and we will wonder why we are doing what we are doing.

In every generation, there is a remnant of Christians, that say no matter what the culture says and does, we will remain faithful to God.

Challenge - Will you be a part of that remnant?
